

Giuseppe Marchesini Memorial Conference

First Bulletin

Date: 19 May 2017

Place: Galileo Galilei Institute, Florence

Organizers:

Stefano Catani (INFN Florence) , Marcello Ciafaloni (Florence U.) , Daniele Dominici (Florence U.) , Alberto Lerda (Piemonte Orientale U. Alessandria) , Antonio Masiero (Padua U.) , Enrico Onofri (Parma U.) , Eliezer Rabinovici (Hebrew U.) , Bryan Webber (Cambridge U.)

Webpage: <http://www.ggi.fi.infn.it/index.php?page=events.inc&id=262>

The conference will celebrate the scientific contributions of Giuseppe Marchesini through invited talks on current research related to his work. There will also be a session for contributed short talks and reminiscences.

The conference is expected to start at 09:15 and to end at about 18:00. It will be followed by a dinner at a nearby restaurant.

Speakers:

Andrea Banfi

Yuri Dokshitzer

Francesco Hautmann (t.b.c.)

Hannes Jung

Al Mueller

Francesco Di Renzo

Gavin Salam

Mike Seymour

Gabriele Veneziano

Giulia Zanderighi (t.b.c.)

Owing to organizational constraints, the number of participants is limited to about 80. Those interested in participating should register using the corresponding link on the above webpage. In the entry 'Comments' of the Registration Form participants should specify: i) if they wish to contribute a short (10 min) talk or reminiscence, giving brief details of the content; ii) if they will attend the conference dinner and the number of accompanying persons (estimated cost about 50 Euros) if any.

For hotel accommodation, participants may contact Planners Lab (e-mail: mirella.ridi@gmail.com) after January 2017.
